FIRST HOUSE BUILT IN PAULDING CO. 1822 BY SHADRACH HUDSON

This house is known as "the oldest house in Paulding County Ohio" It was built by SHADRACH HUDSON in 1822 or 1823. It was of square logs,was two stories in height,and had a hugh fire-place in each end. There was two rooms on thr first story. The house stood on and commanded a fine view both up and down the Auglaize river. It was located one mile east of the Town of Junction,in Auglaize Township. Its builder,Shadrach Hudson,was a soldier with Gen.St Clair and was at the battle where the General was defeated by the Indians;also during the war of 1812,Mr Hudson visited the Maumee valley,where being impressed with its fertility and natural beauy,he afterward settled. At one time Mr Hudson was a teamster employed in hauling supplies for the Army.

The Hudsons were very hospitable and entertained many strangers who chanced to pass that way. What huge roasts of Bear meat,Venison and wild Turkey they used to make before those old Fire-places. ...copied from the 1892 Atlas...
